

Group feedback form

If you are delivering a session with children and young people, please complete this form and return to: PHW.ViolencePreventionUnit@wales.nhs.uk

[Alternatively, click to complete an online version](#)

This feedback from children and young people will help us to understand what they have learned from the campaign, its impact on them and whether we need to make any changes in the future.

Age range/year group:

At the start of the session:

By show of hands:

1. Carrying a knife is going to make you safer – who thinks this statement is true?

_____ **True** _____ **False**

2. 10 young people out of every 100 carry a knife – who thinks this statement is true?

_____ **True** _____ **False**

3. It is legal to carry a knife, as long as you don't use it – who thinks this statement is true?

_____ **True** _____ **False**

At the end of the session:

By show of hands:

1. Carrying a knife is going to make you safer – who thinks this statement is true?

_____ **True** _____ **False**

2. 10 young people out of every 100 carry a knife – who thinks this statement is true?

_____ **True** _____ **False**

3. It is legal to carry a knife, as long as you don't use it – who thinks this statement is true?

_____ **True** _____ **False**

Optional Question:

4. Using one word, describe how did the videos made you feel.
